Seti Provincial Hospital Dhangadhi kailali

BOQ for Supply, Delivery, installation of Medical gas pipe line system

Government of Sudur Pashchim Province
Ministry of Social Development
Seti Provincial Hospital
Dhangadhi Kailali, Nepal
Chief Medical Superintendent

S.N.	Particular	Technical Specification	Unit	Quantities	Unit Rate without VAT	Unit rate in words	Total	Mention vatable/Non-vatable
1	Supply, Delivery, installation of Oxygen Outlet with all complete work including inspection	As per Detail Specification	set	282				
2	Supply, Delivery, installation of Vacuum Outlet with all complete work including inspection	As per Detail Specification	set	141				
3	Supply, Delivery, installation of Air Outlet with all complete work including inspection	As per Detail Specification	set	50				
4	Supply, Delivery, installation of CO2 Outlet with all complete work including inspection	As per Detail Specification	set	5				
5	Supply, Delivery, installation of N2O Outlet with all complete work including inspection	As per Detail Specification	set	5				
6	Supply, Delivery, installation of Isolation Valve 12mm with all complete work including inspection	As per Detail Specification	set	332				
7	Supply, Delivery, installation of Isolation Valve 28mm with all complete work including inspection	As per Detail Specification	set	8				
8	Supply, Delivery, installation of Isolation Valve 35mm with complete work including inspection	As per Detail Specification	set	7				
9	Supply, Delivery, installation of Isolation Valve 42mm with complete work including inspection	As per Detail Specification	set	1				
10	Supply, Delivery, installation of Isolation Valve 54mm with complete work including inspection	As per Detail Specification	set	1				
11	Supply, Delivery, installation of Isolation Valve 22mm with complete work including	As per Detail Specification	set	4				
12	Supply, Delivery, installation of Wall Box 5-Gas with complete work including inspection	As per Detail Specification	set	5				
13	Supply, Delivery, installation of Wall Box 2-Gas with complete work including inspection	As per Detail Specification	set	6				
14	Supply, Delivery, installation of Wall Box 3-Gas with complete work including inspection	As per Detail Specification	set	2				
15	Supply, Delivery, installation of Alarm Box 2-Gas-Digital with complete work including inspection	As per Detail Specification	set	6				
16	Supply, Delivery, installation of Alarm Box 3-Gas-Digital with complete work including inspection	As per Detail Specification	set	2

S.N.	Particular	Technical Specification	Unit	Quantities	Unit Rate without VAT	Unit rate in words	Total	Mention vatable/Non-vatable
17	Supply, Delivery, installation of Alarm Box 5-Gas-Digital with complete work including inspection	As per Detail Specification	set	5				
18	Supply, Delivery, installation of Bed Head Panel with complete work including inspection	As per Detail Specification	set	141				
19	Supply, Delivery, installation of BPC flow-meter with complete work and inspection	As per Detail Specification	set	282				
20	Supply, Delivery, installation of Double Arm Pendant with complete work including inspection	As per Detail Specification	set	5				
21	Supply, Delivery, installation of Vacuum Jar 600ml or more with Regulator with complete work including inspection	As per Detail Specification	set	141				
22	Supply, Delivery, installation of 7.5HP Vacuum Pump with complete work including inspection	As per Detail Specification	set	2				
23	Supply, Delivery, installation of Bacterial Filter with complete work including inspection	As per Detail Specification	Piece	1				
24	Supply, Delivery, installation of 1000 Ltr. Tank with complete work including inspection.	As per Detail Specification	set	1				
25	Supply, Delivery, installation of Electric Panel (Auto) vacuum pump with all accessories. With complete work including inspection	As per Detail Specification	set	1				
26	Supply, Delivery, installation of 7.5HP Air Compressor with complete work including inspection	As per Detail Specification	set	2				
27	Supply, Delivery, installation of Air Dryer -60cfm with complete work including inspection	As per Detail Specification	set	1				
28	Supply, Delivery, installation of Storage tank 1000 Ltr. with complete work including inspection	As per Detail Specification	set	1				
29	Supply, Delivery, installation of PXY Filter set with complete work including inspection	As per Detail Specification	set	1				
30	Supply, Delivery, installation of Electric Panel Auto for air compressor with complete accessories. with complete work including inspection	As per Detail Specification	set	1				
31	Supply, Delivery, installation of CO2 Manifold 2+2 with complete work including inspection	As per Detail Specification	set	1				
32	Supply, Delivery, installation of IOX 14 regulator for CO2 with complete work including inspection	As per Detail Specification	set	1				
33	Supply, Delivery, installation of Nitrous Manifold 2+2 with complete work including inspection	As per Detail Specification	set	1
