

क. अर्थ मन्त्रालयबाट Global Climate Fund को Country Project Pipeline मा समावेश गर्नेगरी छनौट भएका परियोजनाहरू:

S.N.	Project Name	Type	Accredited entity/Submitted By
1.	Protecting livelihoods & assets at risk from climate change induced flooding in glaciated river basins of Nepal	Adaptation	UNDP
2.	Promoting transformative & climate resilient agriculture for sustainable livelihoods & food security in Nepal	Adaptation	FAO
3.	Sustainable, Climate Resilient & Community based Micro hydropower social enterprises for rural mountains of Nepal	Cross-cutting	AEPC
4.	Building Climate Resilience of Forest Depended Communities through enhanced Livelihood opportunities & local capacity in Karnali Province, Nepal	Cross-cutting	NTNC
5.	Climate & Health Co-Investment Facility Coordination Programme	Adaptation	UNDP
6.	Climate and Health Action for a Global Resilient Community (CHANGE)	Cross-cutting	IFRC

7.	Increasing Community Resilience Through Enhancement of Equitable Access to Green Agriculture	Adaptation	AEPC
8.	Agroforestry Systems for Food, Livelihoods & Ecosystem Services in Eastern Nepal	Cross-cutting	NTNC
9.	Managing Ecosystems for Enhanced Climate Resilience of Communities in the West-Seti Sub- Basin of Nepal	Adaptation	WWF
10.	Solar Power Project with BESS Technology at Dang	Mitigation	NIMB
11.	Improving Climate Resilience and Food Security of Vulnerable Communities Living in Disaster-Prone Areas of Terai in Nepal	Adaptation	WFP
12.	Strengthening Livelihoods Adaptation and Resilience to Climate Change in the Karnali-Bheri River Basin of Nepal (SAFAL)	Adaptation	Save the Children
13.	Increased Climate Resilience through Multi-Hazard Early Warning Systems and Climate Change Risk Reduction in Madhesh Province, Nepal	Adaptation	NTNC
14.	Enhancing Energy Access by Generating Energy from the Waste for Mitigating Climate Change	Mitigation	AEPC
15.	Reducing Climate Risks and Building Resilient Livelihoods in Dodha River Basin, Far-West Nepal	Adaptation	FAO
16.	Enhancing Resilience of Indigenous Peoples Living in the Vulnerable Mountains of Nepal (EnReIN)	Adaptation	UNDP

17.	Restoring Abandoned Agriculture Land in Nepal Through Agroforestry and Agrivoltaics for Resilient Livelihoods and the Environment (RAALAA)	Cross-cutting	IUCN
