Dear Mr. Nepal,

I have the pleasure to inform you the list of 17 Scholarship Programs that Korea International Cooperation Agency (KOICA) is scheduled to organize in 2019. Enclosed herewith are the list of scholarship programs, Application Guideline, Application forms (KOICA only) and other relevant document regarding the program.

In this regards, I would like to request you to **recommend 4 eligible candidates** in each courses according to the program guideline and program eligibility criteria along with **3 sets of Application Forms (of KOICA and Application package of respective University)** and send to KOICA Nepal office until given deadline. The qualification of the applicants is explicitly explained in "2019 KOICA Scholarship Program Application Guideline for Master's Degree" enclosed with this letter. The recommended candidate has to go through series of interview including the local interview organized by the KOICA Nepal Office in order to know the motive, willingness to study. **The application submitted after the deadline will not be accepted.**

Furthermore, I would like to inform you that the above Master's courses are the open competition around the world, therefore KOICA office cannot assure about the confirmation from the University for the nomination made by the Government of Nepal. The final selection of the candidate solely depends on the applicant's performance in series of interview as well as final judgment of the respective University.

For your kind reference KOICA encourages female participation in each of its program, hence it is requested you to recommend more female participants. I thank you cooperation and support in this regards.
