**Subject:** International Universities Conference on Women Leadership on 8-9 October 2026 at Jim Corbett, Uttarakhand, India: Request to join as Country Partner with Keynote Speakers.

Your Excellency,

It is a matter of great privilege for Jharkhand Rai University, in collaboration with the Association of Indian Universities (AIU), G100 - Universities & Thought Leadership Wing, and Shiksha Sanskriti Utthan Nyas, to host the *International Conference on Women Leadership* on the theme "*Women: Architects of Knowledge and World Peace*", scheduled to be held on 8-9 October 2026 at Jim Corbett, Uttarakhand, India.

This prestigious international platform seeks to bring together eminent academic leaders, policymakers and global thought leaders to deliberate on the evolving role of women in higher education, leadership, peacebuilding and sustainable development. The conference aims to foster meaningful dialogue, promote cross-cultural exchange and encourage collaborative action toward strengthening women's leadership on a global scale.

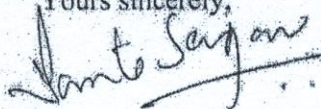

In this regard, I would like to invite your country's participation as a valued Country Partner for this significant global forum. We hereby request your esteemed office to nominate distinguished academic leaders—particularly women leaders from universities and higher education institutions in your country to serve as Keynote Speakers. Their invaluable insights and experiences would greatly enrich the deliberations and contribute meaningfully to the overall success of the conference.

We would be pleased to welcome representatives from your country and look forward to fostering stronger academic and cultural ties through this initiative. We would extend all necessary domestic arrangements for their visit upon arrival in Delhi, including airport pick-up & drop-off, accommodation and visits to Jim Corbett National Park and the Taj Mahal in Agra.

Looking forward towards your continued support in strengthening international academic collaboration.

With highest regards,

Yours sincerely,

Prof. (Dr.) Savita Sengar
