Minutes of Pre-Bid Meeting for ICB-EM-01/TGS/BBDMP/2078-079

**Minutes of Meeting are as follows:**

During the meeting, the following concerns were raised and accordingly discussed.

1. The Senior Divisional Engineer on behalf of Project Director of BBDMP welcomed in all the representatives and discussed about the progress of Headrace Tunnel, Civil works of Headworks, Surge Shaft, and Powerhouse, the spirit of the project, the importance of the project and hope for the successful completion of remaining works.
2. The perspective bidders listed below raised their queries and discussions were made regarding those issues.
3. The SDE, Mechanical highlighted about the issues raised by the prospective bidders.
4. The Project Director clarified the representatives that Electro Mechanical Contractor should work in harmonization with Civil Works contractor and Hydromechanical Works contractor.
5. A site visit of Headworks area, Headrace Tunnel area, Surge Tank area, and Powerhouse area was done.

Clarification Request are obtained from following perspective bidders:

A series of handwritten signatures in black ink, arranged horizontally across the bottom of the page. From left to right, there are approximately seven distinct signatures, some appearing to be initials or names in cursive script.
