On 26 August 2026, a flood in the Bhotekoshi River in Rasuwa district of Nepal caused significant loss of lives and properties in the riverside areas of Rasuwa, Nuwakot, Dhading, Gorkha and other districts of Nepal. The Government has intensified search and rescue operations throughout the affected areas to minimize further loss and provide immediate relief.

In order to ensure prompt assistance to the affected ones and facilitate their rehabilitation, we sincerely appeal to all to extend financial support through the following designated relief funds maintained by the Office of the Prime Minister and Council of Ministers.

Details of Relief Accounts:

1. Prime Minister Disaster Relief Fund
