## Introduction

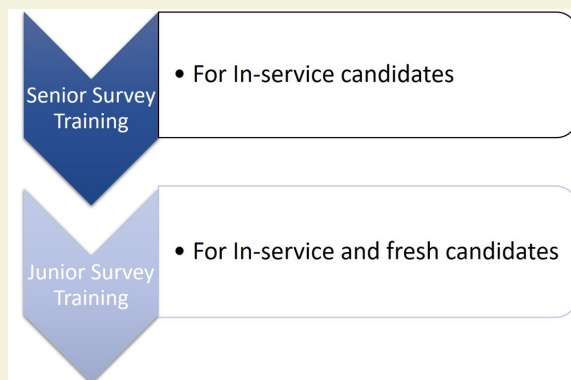

Land Management Training Center (LMTTC), under the Ministry of Land Management, Cooperatives and Poverty Alleviation, Government of Nepal was established in 1968 A.D. LMTTC is the oldest and the only governmental institution continually and significantly producing human resources and enhancing the capacity of government personnel in the field of Surveying, Mapping, and Land Management since its establishment. The center has already produced more than 10,000 land professionals at different levels through various types of training courses.

LMTTC is certified with ISO 9001:2015 for Quality Management on 29 June 2022 A.D. The center has been conducting a wide range of long and short-term training incorporating state-of-the-art modern technologies. Along with this, LMTTC has collaborated to run academic courses with Kathmandu University (KU). Additionally, the Center contributes to the capacity building of Provincial and Local Governments.

## Academic Courses in Collaboration

## Long-term Training

## Short-term Training

## Our Faculty/Trainers

Our courses are delivered by passionate and dedicated faculties/trainers who possess wealth of national and international experiences, and high qualification obtained from renowned national and international universities

## Annual Publication

Journal of Land Management and Geomatics Education
