FLOOD DISASTER IN NEPAL & APPEAL FOR SUPPORT

Ref. Following the devastating flash floods in Bhote Koshi, Trishuli and Narayani River area of Rasiwa, Nuwakot, Gorkha and Dhading districts of Nepal on 26 August 2026, the Government of Nepal has mobilized all available resources and efforts at its disposal for search, rescue, and relief and recovery operations, with particular attention to people who remain missing, including both Nepali and foreign nationals. الإشارة

The Government's immediate national priority remains clear: ***to save lives, locate and rescue missing persons, provide urgent relief to survivors, and ensure that affected Nepali as well as foreigner receive appropriate assistance and support.***

So far, 903 bodies have been recovered from the areas and about more than 4247 people are still missing, including 592 foreign nationals are still missing.

The operations on the ground are carried out effectively, and the figures concerning casualties, missing persons and damage continue to change as search and verification operations continue.

Many foreign nationals are still missing. So, a dedicated Emergency Control Room at the Ministry of Foreign Affairs has been established to coordinate with relevant agencies as well as with the families of missing people.

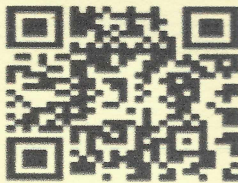

The Government of Nepal has appealed to all to extend financial support to the Prime Minister's Disaster Relief Fund and the Prime Minister's Relief Fund, maintained at the Office of the Prime Minister and Council of Ministers of Nepal. Nepali as well as foreign nationals at home and abroad can contribute to these Funds through QR Code and links. We request all contributors to please verify that correct account and QR and links before making contributions.

For sending contribution from out of Nepal, please use one of these links:

Accordingly, the Embassy sincerely appeals to individuals, organizations, business communities, and well-wishers of Nepal to contribute financially to the aforementioned Funds through any of aforesaid links. Such contribution will contribute significantly to ongoing relief operations and to the longer-term recovery, rehabilitation and reconstruction efforts.

We express our sincere gratitude to our neighbours, friendly countries and partners for standing with Nepal at this difficult hour, and for extending their support and assistance, as well as for their heartfelt expressions of condolences and solidarity. Your friendship and support are deeply appreciated.
