Press Release

Foreign Secretary Mr. Amrit Bahadur Rai delivered his opening remarks at the High-level Meeting on “Forging Ambitious Global Partnerships for Sustainable and Resilient Graduation of Least Developed Countries” today in Doha, Qatar.

Speaking as the Chair of the Global Coordination Bureau of the group of LDCs, Foreign Secretary Mr. Rai underscored the persistent challenges facing the LDCs, including deep-rooted structural impediments, limited access to international markets, widening digital divides, resources constraints and increasing climate related impacts.

He called for robust global solidarity and ambitious partnership for smooth, sustained, and irreversible graduation of the LDCs.

In addition, he also addressed at the session entitled “High-level Ministerial Dialogue on strategic pathways for navigating sustainable graduation amid challenging global development landscape and unlocking new opportunities”. Foreign Secretary Mr. Rai highlighted the key areas – agriculture, hydropower, tourism, manufacturing, ICT and human capital - that hold immense potential for Nepal’s economic transformation despite the challenging global development landscape and expressed Nepal’s keen interest to working closely with development partners, the United Nations systems, and the international community for sustained graduation.

In the afternoon, Foreign Secretary made an inspection visit to the Embassy of Nepal in Doha. He instructed the Embassy officials to protect and promote Nepal’s national interest as well as make every possible effort to deliver best possible services to Nepali migrant workers living in Qatar.

Foreign Secretary Mr. Rai is in his three- days visit to Doha in connection with participating in High-level Meeting jointly organized by Government of the State of Qatar and the UN- Office of the High Representative for the Least Developed Countries, Landlocked Developing Countries and Small Island States (UN-OHRLLS).
