A Research Proposal/ Study on (font size 12)

…… (Size 14 bold)

Submitted to: (size 12 bold)

Government of Nepal (size 12)

Ministry of Forests and Environment (size 12)

Department of Environment (size 12 bold)

Babarmahal, Kathmandu (size 12)

Through: (size 12 bold)

Name of College/University/Education Institute (Size 12 bold)

Submitted By: (size 12 bold)

Name of Student (size 12)

Subject (size 12)

Semester (size 12)

Campus Roll No:

University Registration No./T.U. Registration No.

Year/Month/Day (in BS size 12)

**Table of Contents**

Abbreviations and Acronyms

1. Introduction

    1.1 Background

    1.2 Statement of Problem

    1.3 Aims and Objectives

2. Methods and Materials

    2.1 Study Area

    2.2 Methods of Data Collection

    2.3 Sampling Procedures

    2.4 Data Analysis

    2.5 Research Matrix

3. Expected Outcomes

4. Time Frame of the Research

5. Budget for the research

References

# 1. Introduction (size 14 bold)

## 1.1 Background (size 12 bold)

The background should reflect the general introduction of the subject matter or research issue with relevant citation (size 12). **Not exceeding single page**

## 1.2 Statement of Problem (size 12 bold)

Provide a brief thesis statement that should address issues or problem/situation currently existing in the area of concern with supporting statistics and propose the ways to solve/mitigate/improve/understand the problem. It provides the context for the need of the study proposed and hence generates the questions which the research aims to answer. The basic research questions should be stated in this section (size 12). **Not exceeding half page.**

## 1.3 Objectives (size 12 bold)

The general objective of the study are as follows:

- General statement concerning the overall goals

The specific objectives of the study are as follows:

- Must be highly focused and feasible (achievable in terms of resources and time frame)
- Should be clear, concise, declarative statement
- Should be in concrete statement describing with the research

# 2. Materials and Methods (size 12 bold)

Methods and Materials must coincide with the objectives of the research (size 12)

## 2.1 Study Area (Size 12)

Clear defined study area with location, access, access map etc. relating with background, statement of problem and objectives (size 12)

## 2.2 Methods of Data Collection (size 12)

Primary Data (Must justify the objective)

Secondary Data (Must justify the objective)

## 2.3 Data Analysis (size 12)

Tools used for the data analysis

## 2.4 Research Matrix (size 12)

| S.No. | Objectives | Relevant Methodology | Statistical Analysis |
|---|---|---|---|
| | | | |
| | | | |
| | | | |

3. Expected Outcomes (size 12 bold)

Explain in points the outcomes to be expected from this research. Each outcome should justify each objectives

4. Time Frame of the research (size 12 bold)

Please keep in mind the government calendar year while framing out the activities by which a student should submit draft thesis by Jestha 7 2084 and final thesis by Asar 7th 2084.

| S.No. | Activities of the research | Month | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|
| | | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |

5. Budget for the research (size 12 bold)

| S.No. | Particulars | Quantity | Unit | Rate (NRs.) | Amount (NRs. | Remarks |
|---|---|---|---|---|---|---|
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | Total | | | | | |
